

FURTHER ACHIEVEMENTS

Over the years, IPSS Electronic Security has achieved significant milestones, cementing our position as a leading security service provider:

2003:

- Received prestigious SAIDSA approval in key categories: Approved 24-hour control centre, Approved armed reaction units, and Approved installer, ensuring full insurance coverage and no possibility of claims rejection.
- Sole security service provider for Salt Rock Neighbourhood Watch.
- Successfully reduced crime in the Salt Rock area by 85%, as validated by SAPS Umhlali statistics.

2006:

- Collaborated with Umhlali SAPS to apprehend 3 murder suspects, facilitated by a reward offered by IPSS Electronic Security, supported by our valued customers.

2008:

- Pioneered "LIVE" monitoring of CCTV cameras through our state-of-the-art control centre, effectively securing the perimeter of Salt Rock, showcasing our commitment to innovation and cutting-edge technology.

2009:

- Assisted the Scorpions and National Prosecuting Authorities in arresting suspects wanted for various crimes, further solidifying our cooperation with law enforcement agencies.
- Collaborated with Umhlali SAPS to apprehend 2 high-profile murder suspects, facilitated by rewards offered by IPSS Electronic Security and supported by our customers.
- Successfully apprehended the highly publicized "5-minute gang" after a high-speed car chase and shoot-out with the suspects, demonstrating our dedication to combating crime effectively.

2016 until present:

- Initiated the installation of camera domes in our area of operation, representing an investment of approximately 3 million Rand, aimed at proactively combatting crime and providing enhanced security to the community.

2020:

- Purchased and relocated to our current, three times larger offices to accommodate our growth and prominence in the industry.

2022/2023:

- Compliant with all SAIDSA regulations for off-site CCTV monitoring and installation, our 24-hour control room plays a pivotal role in safeguarding clients' assets and ensuring community safety. Invested over 2 million Rand in implementing the state-of-the-art Cathexis Artificial Intelligence software, further demonstrating our dedication to cutting-edge technology and superior security solutions.

These achievements reflect our unwavering commitment to excellence, innovation, and collaboration in the pursuit of safeguarding our clients and combatting crime effectively.
